

Technical Data Sheet | BB1D

IBC Spill Pallet | 1 x 1000ltr IBC

This large-capacity spill pallet, molded from medium-density polyethylene, includes a built-in dispensing area and is compatible with most common sizes of IBCs. Compliant with UK 110% regulations, it offers broad chemical compatibility and is rugged enough for constant use. Instead of a removable grid, this model features molded support columns on which the IBC sits directly.

Product Specifications

External Dimensions (WxDxH)	1445 x 2065 x 705mm
Unit Weight	Approx. 79kg
Sump	1100ltr
UDL	1500kg
UK Pack Size	3

Product Features and Benefits
